Because of the generosity of our community and corporate partners, Animal Rescue Rhode Island is able to find loving homes for over 500 pets a year. As a valued partner, you will experience firsthand how we provide protection, care, training and support to the treasured animals at ARRI.

We understand the value of engaging employees and customers in your efforts to give back to the communities where you do business.

We are always respectful of your generosity and resources and will be devoted partners in helping you reach your philanthropic goals.

We will work with you to identify opportunities and programs that match your passions and interests, so we can create a tailor-made partnership with ARRI.

We will market our partnership and provide you with timely impact reports so you can clearly see all the ways you empower and impact our community.
